Good afternoon ladies,

It's been a while since the September video meetings and I wondered if we are getting closer to signing our mortgages?

I need to verify with the volunteer coordinator, but I should now be at 490hrs (which I believe is where you wanted all of us to stop at?) Please let me know if you would like me to complete my final 10hrs.

Cheers,  
-Erin

Hello Erin,

We are currently working on the covenant in North Saanich. There will be a longer wait for the Saanich and Central Saanich homes. We are hopeful though that when things are successful with North Saanich that the remaining homes will be soon after.

We are guessing another 3-6 months.

Many thanks,  
Tiffany

Hi Tiffany and Krista,

I am wondering if we have an updated ETA (still looking at March - June for mortgage?) and in the meantime if there have been any more statement of accounts prepared? I think the last one I received was about a year ago.

Cheers,  
-Erin

Hello Erin,

Happy New Year!

Statements will be coming shortly.

I do not yet have a date. Processing the North Saanich homes will happen first and then we will work on Central Saanich and Saanich homes. There was a slight delay with the election and new council. We also have a new CEO who is getting up to speed on things. I will let you know as soon as we know more.

Thank you,
